

Infant of Prague Parishioners:

As many of you are aware, the parish purchased the property on Anne Street to help with the continued growth of our Catholic School. Currently, the school has over 300 students registered for grades Pre-K through 12th grade. The Come Grow with Us campaign is in full swing to help with continued renovations and repairs to the building and grounds.

Thanks to your generosity, and prayers, the church has secured a zero percent interest free loan to help with the completion of our new middle and high school buildings.

The parish is humbled by your willingness to support these projects and grateful to each one of who continually supports the mission of our parish. Please pray for our success!

God Bless,
Tom Kahl
