**ARE YOU HUNGRY FOR TRUTH? Learn more by listening to Divine Mercy Radio NC.**

**I remember a question being posed to EWTN personality Father Mitch Pacwa: "You articulate the Catholic Faith very well, how do you do it?" And Father responded that he loves to surround himself daily with Catholic print and media, and that over time this has helped to deepen his knowledge, understanding, and love of our Catholic Faith.**

**I love listening to Catholic Radio. You guys know that, as I share it all the time. It has helped me so much in the growth of my own faith and knowledge of Jesus Christ and His Church.**

**As I mentioned recently, I did an interview for Divine Mercy Radio NC on May 27. The interview is called: "Meet the Priest" and usually runs the 3rd weekend of the month right after the 3pm Divine Mercy Chaplet. My interview should be aired this June 16, 17, and 18th.**

**The Divine Mercy Radio NC "AM" signal does not currently reach Jacksonville, NC, but you can listen using their App.**

**As for the App. When you go to the App Store for your devices, please make sure you choose DIVINE MERCY RADIO NC. The NC is important, otherwise you will not be downloading the LOCAL ONE for the DIOCESE OF RALEIGH among the options of Divine Mercy Radio. And Divine Mercy Radio NC "App" was helped developed by the Diocese of Raleigh.**

**I have been using the App to listen to the Raleigh Diocese Divine Mercy Radio NC, and I like the mix between EWTN/Ave Maria Radio, Relevant Radio, and then local programming, such as Meet the Priest, where you guys get to meet the priests of the Diocese of Raleigh. Also, on the App are pre-recorded Pod-Casts of the priests who have been interviewed for "Meet the Priest." (Including our very own Deacon, now Father Matthew Nwafor).**

**Below is a picture to help you download the proper Divine Mercy Radio NC App. Blessings**
