Come GROW with us!

Infant of Prague Catholic School, located in Jacksonville NC, also home of Camp Lejeune Marine Corps base, was established in 1952 as a pre-kindergarten through eighth grade Catholic school. Students from the parish, military community, and surrounding coastal regions are prepared for success with a rigorous academic program and provided with the tools needed to succeed in school and beyond. Infant of Prague Catholic School has served generations of families! The school is one of Infant of Prague Catholic Church's many vibrant and growing ministries in addition to the outreach center, youth program, thrift store and resource center.

Infant of Prague Catholic School has experienced a 95% increase in student enrollment in the last decade. The high demand for Catholic education in our area has produced full classes with several grade levels that are operating with wait lists that limit many families' access to a quality Catholic education. Currently, Infant of Prague Catholic School has expanded to multiple classrooms for a number of grade levels but the building is at maximum capacity. Additionally, there is a high interest for the accessibility of Catholic education beyond the 8th grade level in Jacksonville and the surrounding area.

Infant of Prague Catholic Church and School has recently acquired an additional campus that houses a chapel and school building that will allow for the expansion of Catholic educational opportunities in grades pre-kindergarten through twelfth grade! This campus is currently under renovation and is projected to open at the beginning of the 2023-2024 school year; this is a parish initiative that will support the growth of our faith communities.

*Our church's social justice teaching indicates the responsibility of believers to answer the call to family and community participation. Your contribution to Infant of Prague's Come Grow With Us campaign, to fund the renovation of the new campus buildings, serves as a vital gift of ensuring a quality Catholic education integrated with spiritual and intellectual formation for the children of our community. Monetary pledges can be given by visiting the IOPCS webpage at iopschool.net and clicking on the **Come Grow With Us** donation link.*
